OF OLEY TOWNSHIP

SECTION 1. This Policy shall govern all requests made for access to the public records of Oley Township (the "Township"), and shall repeal any previous Policy adopted by the Township.

SECTION 2. SECTION 4. Requests for public records can be made by any person who is a legal resident of the United States and also by other local agencies. The Township may permit an oral request for a public record, or require the request to be in writing. However, if the requester wishes to pursue the relief and remedies provided for in the Right-to-Know Law, the request for access to records must be a written request. A written request for access to records may be submitted in person, by mail, by e-mail or by facsimile. The form which may be used to file a request is posted at the Township Office and, if the Township does develop an internet website, at that website. All written requests must be addressed to the Open Records Officer. In the event that a written request for records is addressed to a Township employee other than

the Open Records Officer, the Township employee is hereby directed to promptly forward such request to the Open Records Officer.

[Section 1307(e)].
Postage Fees	Fees for postage may not exceed the actual cost of mailing.
Prepayment:	Prior to granting a request for access in accordance with this Act, an agency may require a requester to prepay an estimate of the fees authorized under this Section if the fees required to fulfill the request are expected to exceed \$100.00.
Payment at Delivery:	Once the request is fulfilled and prepared for release, the Township should obtain the cost of the records prior to releasing the records.

SECTION 6. The time for response shall not exceed five (5) business days from the date the written request is received by the Open Records Officer.

SECTION 7. Upon receipt of a written request, the Open Records Officer shall determine if the request for access requires redaction of a record, requires a legal review to determine whether the record is a record subject to access under the Act, or if one of the other reasons exist which would allow an extension of time for response under Section 902 of the Act. Otherwise, the time for response shall not exceed five (5) business days from the date the written request is received by the Open Records Officer. If the Township fails to send the response within five (5) business days, the written request for access shall be deemed denied. If the agency's response is a denial, the denial shall be issued in writing, and shall include the information required by Section 903 of the Act.

SECTION 8. If a written request for access of a record is denied, or deemed denied, the requester may file an Appeal with the Office of Open Records within fifteen (15) business days of the mailing date of the Township's response, or within fifteen (15) days of a deemed denial. SECTION 10. If a public record request involves both information subject to public access and information not subject to public access, the Township shall grant access to those portions subject to public access. The Township shall remove or redact any record or portion not subject to public access. The Township shall remove or redact only any record or portion not subject to public access.

SECTION 11. The Township shall notify the person or entity seeking access as to when the records are available for inspection. Inspection shall be made at the Township's offices: One Rose Virginia Road, Oley Township, Pennsylvania, 19547, unless the Township designates an alternative location where the records can be reviewed. The Township shall not designate an alternative location unless the above location is not available, or unless some or all of the requested records are being kept at a location other than the above location, or unless another sound reason exists for the designation of an alternative location.

SECTION 12. It is the intent of the Township to comply with all applicable laws, including all statutes and regulations, which apply to the matters covered in this Policy. This includes all Federal, State, County, municipal or other law binding on the Township. To the extent anything in this document shall be inconsistent with or prohibited by any provision of any applicable statute or regulation bearing on these matters and binding on the Township, then the provisions of this Policy shall be deemed to be amended to the extent necessary for these policies to not be in violation of any statute or regulation. To the extent any portion of this Policy shall be inconsistent with or in violation of any applicable statute or regulation, and there is more than one (1) possible method by which the policies could be altered so as to remove such inconsistency or violation, then this Policy shall be deemed amended in the manner which results in the least possible change while still resulting in this Policy being in compliance with all applicable statutes and regulations, it being the intention that if more than one (1) change in this Policy would cure how this Policy would otherwise be in violation of any statute or regulation, then this Policy shall be deemed amended in this manner so that after such deemed amendment, this Policy remains as closely as possible to the terms and intent of the Policy as adopted by the Township.
